Preservation of Solicitor –client privilege:

This legislation maintains the integrity of solicitor client privilege, litigation privilege and settlement privilege, and does not require the disclosure of information subject to any of these privileges.

While hospitals are expected to report on their retention of lawyers and law firms for the provision of consulting services, they are not required to report on instances where they have retained lawyers and law firms to provide legal advice, draft legal documents, conduct litigation on behalf of a hospital, or otherwise for the purpose of providing legal services to a hospital.

***Non-competitive Explanation:** Where goods or consulting services regarding matters of confidential or privileged nature are to be purchased and the disclosure of those matters through an open competitive process could reasonably be expected to compromise confidentiality, cause economic disruption or otherwise be contrary to the public interest.
