

Working together to provide outstanding integrated health care to our communities delivering best patient outcomes with exemplary standards and compassion, Muskoka Algonquin Healthcare (MAHC) is a multi-site organization that includes Huntsville District Memorial Hospital Site and South Muskoka Memorial Hospital Site.

## Imaging Technologist

- **Casual**

Knowledgeable and independent, you will use your experience to perform Diagnostic Imaging procedures at the highest of levels. You are passionate about the latest technologies and are able to operate all the relevant equipment and software for imaging, non-imaging, and patient care applications.

As a Medical Radiation Technologist, your membership in good standing with the Canadian Association of Medical Radiation Technologists and current registration with the College of Medical Radiation Technologists of Ontario (CMRTO) is complemented by two years of Radiology experience. Eager and adaptable, you will be available for on-call/stand-by shifts for days, evenings, weekends, and statutory holidays.

Applicants interested in becoming a part of an energetic, caring team in a fast-paced and rewarding environment can make inquiries or send a current resume to:

**Human Resources Department  
Muskoka Algonquin Healthcare  
100 Frank Miller Drive  
Huntsville, ON P1H 1H7
