

Working together to provide outstanding integrated health care to our communities delivering best patient outcomes with exemplary standards and compassion, Muskoka Algonquin Healthcare (MAHC) is a multi-site organization that includes Huntsville District Memorial Hospital Site and South Muskoka Memorial Hospital Site.

Laboratory Technologist

- **Permanent Part-time**

Working under general supervision, you will perform a range of tests and procedures to include, but not limited to, venipuncture, capillary collections, and electrocardiograms. Your professional judgment will enable you to perform routine and special testing in histology, microbiology, haematology, immunohaematology, and biochemistry.

A graduate from a medical laboratory technology program, you possess current professional registration and licensure with the College of Medical Laboratory Technologists of Ontario (CMLTO), and demonstrated ability to work in a team-based, full-service lab environment.

Applicants interested in becoming a part of an energetic, caring team in a fast-paced and rewarding environment can make inquiries or send a current resume to:

**Human Resources Department
Muskoka Algonquin Healthcare
100 Frank Miller Drive
Huntsville, ON P1H 1H7
